EXTREME X6 LIMITED WARRANTY

TERMS and CONDITIONS

Extreme Coachworks warrants to the original buyer or transference of each vehicle manufactured and/or converted that all parts (•except electronics, which are warranted by their manufacturer) installed by Extreme Coachworks will be free from defects in material and workmanship, under normal use.

Extreme Coachworks shall have no liability to either the original purchaser or their transference for any defects or damage caused by the use of parts or service which is not authorized by Extreme Coachworks or any parts and material which have been subject to misuse, negligence or accidents.

In the event of a warranty claim, Extreme Coachworks reserves the right at its discretion to replace or repair the defective part. The vehicle owner is required to contact Extreme Coachworks within 48 hours of discovery of a possible warranty claim to determine if such is covered under warranty. Arrangements can then be made to determine when and where the vehicle will be repaired.

Failure to report a possible warranty claim that results in the escalation of the problem and/or damage can and will void the warranty of such part at Extreme Coachworks discretion. It is the sole decision of Extreme Coachworks to determine if the vehicle will be repaired at its San Jose, CA location or at another authorized agent. Any revenue lost, additional costs, or other incidental charges will not be covered by Extreme Coachworks.

This warranty covers only parts, custom fabrications, equipment and labor added by Extreme Coachworks and specifically do not cover any items warranted by the manufacturer of the chassis. The original manufacturer has the discretion of accepting a modified vehicle for warranty work.

Nothing contained herein may modify, limit or disclaim any implied warranties that are guaranteed under any applicable state or federal law.
